

Round 8 MSXC  
Westmoreland Tn.  
1-23-11

AMA Youth Cross  
Country Series  
Rocky Mound

## Oakley Owns Westmoreland!

Westmoreland played host to round 1 of the MSXC series which was a co-sanction with the GNCC series. The weather was perfect back in September. Today conditions were extremely different. Snow was the predominant ground cover for round 8.

Brock Oakley and Cole Kirchoff have been “going at it “ since round one of the MSXC AMA Youth Championship Series. Kirchoff, the veteran MSXC racer, won rounds 4, 5 and 6. Oakley, in his second year of MSXC racing, has won rounds 2 and 7 prior to Rocky Mound.

Off the start #01 “Holeshot Harry” Hardin, (pictured above), aboard his KTM grabbed the lead. Oakley just about crashed trying to nab the holeshot for himself. Oakley settled into second going into the woods and was glad he didn't go down in the first turn snow! Obermeyer Yamaha mounted Kirchoff got into the woods in third.

Hardin, aboard his Hardin Racing, Factory Backing, Twinair, Hinson, Risk Racing, Vertex Pistons, F&F Motosports, C&M Automotive backed KTM racer enjoyed the lead until KTM mounted Oakley got past Hardin in an open field. The fact that Hardin was sandwiched in between Oakley and Kirchoff, gave the Oakley Lumber backed Oakley all the room he needed to come away with his third win of the season. Kirchoff settled for second on the day.

There is a nice video on Oakley's facebook of his helmet cam showing a tree that got in his way about halfway into the race!

Coming in third was Kawasaki rider Ben Jones from Ill., 4<sup>th</sup> place went to Kyle Tiesler and coming in 5<sup>th</sup> was “Holeshot Harry” Hardin, 6<sup>th</sup> place was Carly Vogel

Oakley and Kirchoff are now tied for the points Championship with 5 rounds remaining.
