ELROD RULES THE STRIPPER

This season marks the 6th year for the Mini B class in the MSXC series. Any kid who is 7 to 9 years old and wants to race a two stroke 65cc minicycle or even a 4 stroke 90cc minicycle, is welcome in the class.

Past Champions in this class are, Jake Froman, Jacob Pyne, Sam Thurman, Matthew Harris and Britten Crain.

KY. native Garrett Elrod is making his mark to be the 6th Champion in the Mini B class.

Elrod grabbed the MSXC holeshot and never looked back while leading from start to finish.

Young Garrett Elrod has racing in his blood and comes by it honestly. Papa Elrod races the Senior A class and is leading the points in that class, although he does seem to have a lot more gray hair now that junior races too!

Trying to keep Elrod honest in the mini B class this year is Smithland Ky., rider Thomas Crank III. Racing the colorful “Wood Dawgs Racing” red Kawasaki, Crank is second in points and was second on the day!

Rounding out the top three at Lynnville was John Bracher , also riding a Kawasaki. Bracher put in a fine ride and even was able to keep Crank in sight for a while.

No doubt as the season progresses all three riders will be racing at the top of their game. Each hoping for not only a win, but a chance to be the next AMA MSXC Mini B Champion!

The 5th Round of the MSXC Youth Cross Country Championship is in Marion Il., at the place called “ Little Egypt ” on December 4th. Hope to see you there! For all results go to www.msxcrcing.com.
