Greensburg Ky
Round 11 Russell Creek
By Rich Thurman

Proffitt Soars at Greensburg

Round 10 of the MSXC Cross Country Youth Championship Series was held at Russell Creek in Greensburg, Ky. An inch of rain on Friday night had soaked the property and the feared dusty conditions no longer existed. When the youth racers started arriving to camp out with their parents on Saturday, the now wet conditions made it hard to even walk the track without crashing!

Overnight the wind helped dry things up and by early Sunday morning, the Sun was busy doing its best to finish the job. By the time the 65 cc Mini B class lined up at 10:00 am, the weather and track were both perfect.

Dylan Proffitt has won all 8 races in the 50cc class, and moved up at the Bucksnot round to the bigger Mini B division. **Proffitt** continued his winning ways at Bucksnot and has a perfect season going so far with 9 rounds and 9 wins.

Russell Creek was actually round 11 but due to a rescheduled race, it was the 10th points race of the season with two remaining.

Dylan Proffitt

Profitt grabbed the holeshot at Russell Creek and was well on his way to his 10th win in a row.

Behind **Profitt** in second, was **Clay Wyatt** on a Kawasaki. **Wyatt** did his best to keep **Profitt** in sight but after lap one, **Profitt** had a big lead. **Profitt** would go on to win the 65cc Mini B class and keep his perfect season intact!

In the 50cc division KTM rider **Mitchell Wofford** claimed his first win on the season. **Wofford** is currently second in points and has enjoyed a great season. His dad still suits up and does his best to keep up with the young gun by turning laps in the Vet A class when he is not cheering and helping his son with his racing.

The Mid-South Cross Country Youth Championship Series has always been a great place for parents to bond with their kids and teach their kids the joy of riding and racing dirt bikes. And every now and then, even race against each other for family bragging rights come Monday morning!

See ya at Round 11 on 5-6-12 at Tumbling Creek in McEwen , Tn.
